

PUBLIC MEETINGS

WRTA
Worcester Regional
Transit Authority

for Northbridge & Grafton

Join us for a community discussion about the future of Routes A and B.

Learn about the challenges facing these routes, explore potential options, and share your feedback.

Why Changes Are Being Considered:

- Routes A and B serve the fewest riders in the WRTA system.
- Operating costs are expected to more than double and continue rising each year.
- WRTA is exploring options to maintain mobility while managing long-term costs.

Potential Service Alternatives:

- Limited fixed-route service in Northbridge (4 days per week, 6 hours per day).
- Eliminate Routes A & B, and Transition Grafton and Northbridge service to WRTA's Mobility Management/Paratransit program.
